To whom it concern.

Dear sir,

with our present declaration ,we , as **AGM- Cosmet Company** located in Via Casette n° 3 / A Almisano di Lonigo (VI) Italy, have the pleasure put in particular evidence the good relationship established since year **2004** with estimated company **CISAR v.o.s./ Czech Republic**.

In these four years of work we have received from this company many different positive proofs of a strong professionalism.

CISAR company has always showed a big sense of technical experience concerning our product range and it has always offered to its customers the right commercial and technical support of our products range.

CISAR company has been also an important interpreter of a market request and its suggestion has helped also our company in the developing our new products realized by our company AGM.

More over it has always participated positively to the specific exhibitions held in Czech Republic and in this occasion it has well supported our commercial efforts addressed to the market.

We newer had some problems regarding the payment, **CISAR** company has always fulfilled to its obligations correctly and in right time.

For these different reason we consider this company **CISAR v.o.s.** as one of the best and serious partner between all our European customers.

We will continue to support iis action in the market because we consider its presence and its relationship with our company , AGM-Cosmet, as a indispensable element for the results fixed by AGM in Czech Republic.
